- **jodi.page@uber.com** 2019-12-06T01:10:52.811Z

"I suspect many people will be surprised at how rare these incidents are; others will understandably think they're still too common," Uber CEO Dara Khosrowshahi tweeted about the report. "Some people will appreciate how much we've done on safety; others will say we have more work to do. They will all be right."
